

# OUT OF HOURS KIDS' CLUB

## SEPTEMBER 2026 *newsletter*

### WELCOME BACK!

We hope everyone has had a lovely summer and is settling back into the new school year! It's been great welcoming familiar faces back to Kids Club, and we'd like to give an extra warm welcome to all the new children and families who have joined us this September.

We know starting somewhere new can take a little time, so please always feel free to chat to our team if there's anything we can do to help your child settle in.

### SEPTEMBER

The first few weeks of term are all about settling back in, getting to know new friends and giving children plenty of opportunities to relax and play after their school day.

Our teams plan activities around the children's interests, with a mixture of creative activities, games, outdoor play and quieter choices.

As always, children are encouraged to have a say in what happens at their club and help us shape our activity planning.

The children have created "Wish Lists" with new games and toy suggestions which we have bought for them, including new Chess boards, Monopoly and knitting!

### MEDICATION CHECK

If your child requires medication while attending Kids' Club, please make sure we have the medication on site, clearly labelled and in date, along with all the necessary forms.

This includes inhalers, EpiPens and other prescribed emergency medication. Please remember that medication held by school may not automatically be available to OOHKC, so speak to your Site Manager if you're unsure about the arrangements for your child.

## **TRAINING AND DEVELOPMENT**

Behind the scenes, our staff continue to develop their knowledge and skills throughout the year.

This term our training programme includes safeguarding, paediatric first aid, food hygiene, allergy awareness and supporting children's wellbeing, development and play.

Regular training and reflection are an important part of making sure we continue to provide a safe, happy and engaging environment for every child.

## **A FEW REMINDERS**

Please let your Site Manager know if somebody different will be collecting your child or if there are any changes to their usual arrangements.

We'd also really appreciate parents checking that the information we hold is still correct, particularly contact numbers, emergency contacts, authorised collectors, allergies, dietary requirements and medical information. If anything has changed since registration, please let us know so we can update our records.

## **CONTACTUS!**

If you need our contact details for anything, here is all the information you need:
